

Instructions

Before beginning

- A leader and three readers are required, identify these
- Download the Order of Service
- Important Note: If you want to use the music hyperlinks embedded in this Order of Service, download this Order of Service, and run it in Adobe Acrobat, (full screen) on your computer. You can then minimise the music link pages (do not close them) without losing the order of service on your computer.
- Download the list of those killed from the sources on the order of service
- Divide this list into three sections, one for each leader
- When it comes to reading out these lists follow the instructions given in the order of service
- Hyperlinks are provided on the order of service which give direct links to the music. Click on these to start it playing
- Follow the cues on the order of service

Sharing the Peace

Suggestion

Before beginning

- Ask each person to get an A4 sheet of paper
- Ask them to write on it, in not more than three words, also in large letters what they would like to share during this time
- When the time comes to share the peace, ask them to hold their sheet up to the camera, so that their words can be seen and shared
